On the behalf of National Chamber of Entrepreneurs of the Republic of Kazakhstan 'Atameken' (NCE) we would like to express our gratitude to you.

NCE is the biggest business association in Kazakhstan where represent general business community of the country, more precisely, interests of small, medium and large businesses; covering all activities, including domestic and foreign trade, as well as seeks to promote international trade cooperation between various business entities in different sectors of Kazakhstan.

Along with Kazenergy association we established the Council of Strategic Partnerships Development in oil&gas sector (www.petrocouncil.kz) with the aim of consolidating all efforts in

Currently, we have been closely collaborating with the major Kazakhstani oil& gas operators to promote local content, localization and joint ventures.

Seeking to strengthen cooperation between Kazakh and Italian SMEs in oil&gas sector we plan to organize the first Kazakh-Italian forum of suppliers in oil&gas sector at 26th of September under Kazenergy Week in Astana.

Therefore, we kindly ask you to promote and support our event to strengthen bilateral cooperation and businesses links between Kazakh and Italian companies in oil & gas sector.

Sincerely yours,
