INTERNATIONAL INVESTMENT FORUM & EXHIBITION

AGRO INDUSTRY KZ
MARKETING • DEVELOPMENT • CONSULTING

***To companies manufacturers and suppliers of equipment,
agricultural processing technologies and industry experts!***

Consortium of companies "Agro Industry KZ" and "DAN AgroMarketing Group", would like to express our respect and invite you to take part in the International Investment **Forum & Exhibition "Asia AGRO Processing 4.0"** (Forum & Exhibition), which will be held on 7 December 2023 in Kazakhstan, Astana, A. Bokeykhan Street, building 1A, (Nazarbayev Center).

The Forum & Exhibition are supported by the Ministry of Agriculture, the Ministry of Trade and Integration, the Investment Committee of the Ministry of Foreign Affairs of the Republic of Kazakhstan and other industry associations of Kazakhstan.

Key purpose of the Forum & Exhibition **"Asia AGRO Processing 4.0"** is to:

- present demanded areas of raw material processing of agricultural and livestock products;
- introduce business ideas and technologies of agricultural processing, expert recommendations and insights;
- organize a business platform for G2B and B2B communication;
- exchange of experience in the implementation of successful and promising processing projects in the agricultural industry;
- establish investment and partnership ties and opportunities.

Heads of state organizations, representatives of agricultural holdings, farmers from all regions of Kazakhstan and Central Asia, regional associations of agricultural producers, representatives of local authorities and financing organizations, foreign and domestic companies-suppliers of technologies and equipment for processing of agricultural raw materials and others will be invited to the Forum & Exhibition.

The world leading industry experts will present recommendations on a wide range of agricultural processing issues and demand trends, promising demand niches globally and in different regions (Europe, Africa, Central Asia, Southeast Asia).

Heads of ministries of Kazakhstan, deputies of the Parliament, Atameken, NC KazTrade, NC KazakhInvest, KazakhExport Insurance Company, operating agricultural processing enterprises of Kazakhstan, Central Asia and foreign countries, equipment

and technology suppliers, logistics companies, storage companies, industry associations and unions are invited to participate in the Forum.

Dear Friends, International Investment Forum & Exhibition "**Asia AGRO Processing 4.0**" is the first and only event in Kazakhstan dedicated to technologies and opportunities for processing of agricultural raw materials!

Forum and Exhibition "**Asia AGRO Processing 4.0**" is an opportunity to present your equipment and technologies directly to farmers and representatives of business structures of Kazakhstan in one place and at once!

The Forum & Exhibition will be held in one venue, providing an opportunity to present your services and equipment at the Exhibition and make a presentation at the Forum, ensuring the best conditions for presentations, introductions and cooperation agreements!
